MASSACRE OF PULASKI'S MEN

When the Americans learned that the British were occupying Little Egg Harbor, in New Jersey, they immediately sent Count Pulaski with a small force to oppose the movement. A deserter from the American Army informed the British of Pulaski's position. On Oct. 15, 1778 200 of the British led by FERGUSON rushed upon the sleeping Americans

manacled 50 and took five prisoners.
